

Bath and Wells Diocesan Association of Change Ringers

The Frome Branch invites
The Association to join their

Rhythm Development Workshop on Saturday February 11th 2017

This Workshop is **not** for learning about *Rhythm*
It is to develop a module to incorporate into the
Listening Course

So far we have just concentrated on **Listening** but **Good** ringing is a combination of **Rhythm** and **Listening**, one depends very much on the other.

Although we have some ideas we can try, we would love to have some to others join us with more ideas to experiment with as well.

Are

- you a musician as well a bellringer and maybe a teacher, or
- a fairly recent learner to whom listening and rhythm are still a mystery, or
- an experienced peal ringer to whom good rhythm is second nature, or
- a ringer who struggles with a band with no sense of rhythm and would like to improve its striking, or
- just a plain ordinary ringer who enjoys good well struck ringing.

All of you are very welcome to come to experiment, and to try out and criticize all our ideas as well as bringing some of your own.

Times: 2:00 to about 4:30pm, followed by Tea

Venue: Ashwick Church Rooms, Ashwick, BA3 5BG

Contact **Jenny Cornwell**

Email: FromeBranch.EducationOfficer@bath-wells.org

Tel: 01761 453641

Bring some sandwiches, etc. or cake for a **Bring and Share Ringers' tea**.

Please let us know if you plan to come, preferably by *February 4th*.

Although there will be no charge for this workshop, contributions towards tea, coffee and biscuits and hire of the hall will be welcomed.
