Rachel has suggested organising a quarter peal to follow the end of the FarCited day. Starting in April I think she has talked to some of you to see if there is sufficient interest. The plan is to send out details of each month's quarter (time, tower, method etc...) at the same time as the FarCited menu/program each month.

If you would like to ring in a quarter get in touch with Rachel, her contact details are below. Please state the methods you would be happy to ring and/or have a 1st attempt at .Also please state if you would be happy to conduct and which methods.
